

How to Access your Quiz and Certificate

A Modern Approach to the Formula Combination Xiao Chai Hu San Ren Tang (Wind Tea) Quiz

NOTE: Before taking the quiz, please make sure that you have clicked the "Mark Complete" button located at the bottom of each lesson page. If you have done this, the previous lesson titles will appear with a line through them in the "Lesson Progress" list to the right. This will ensure that your CPD certificate is automatically generated when you successfully complete the quiz.

Click the link below to begin this 10 multiple choice question quiz. You'll need to answer 75% or more correctly to pass – but don't worry too much, you can redo the quiz as many times as you need. Once you're finished, you will be able to download a PDF of your certificate immediately. Your certificate will also be available from your account page if you need to download it again in the future.
